

Harbor Safety Plan

The Harbor Safety Plan of the Lower Columbia Region Harbor Safety Committee is an information and educational tool. The Plan complements the existing regulations and advises mariners of unique conditions and requirements that may be encountered in the Lower Columbia Region. Local experts from industry, regulatory agencies, and the public developed these standards to provide guidelines for mariners operating in the Columbia River.

Includes guidelines for:

- ◆ Restricted Visibility
- ◆ Anchorages
- ◆ Aids to Navigation
- ◆ Dam Lockage Procedures
- ◆ Bunkering Operations
- ◆ Make Way Guidance
- ◆ Incident Management

Current Committee members are:

- ◆ Vessel Operators
- ◆ Port and Vessel Services
- ◆ Ports
- ◆ Pilots
- ◆ Associations
- ◆ State Agencies (Oregon and Washington)
- ◆ Federal Agencies

Everyone is encouraged to attend our bi-monthly General Membership Meetings!

*Participate in the issues that are important to you!
Meeting schedule available on our website:*
